City-wise Rank represents your child's rank among all students of the same **class across the city**.

3. Ranks are allocated based on **total marks obtained**.

5. Students who score **more than 80%** are eligible for the **next level of examination** and a **personal interaction**, which may lead to higher rewards and additional fee benefits.
Eligible parents are advised to visit the nearest **Resonance Hyderabad Campus** for further guidance.
6. Students scoring **less than 40%** will receive their marks and performance analysis. **Rank will not be allotted** to these students.
